WHY?

This event is an opportunity to spend quality time getting to know colleagues from other international organizations in a completely different light. It allows us to come together for a light hearted activity and opens room for conversation in an outdoor setting.

WHAT?

The party will split into groups of 3 or 4 to compete in solving clues that lead us through historic sites in Paris's Latin Quarter. Clues will be delivered to each group via a tablet, which the team captain will handle. Groups can communicate with the tour guide if they need help with any clues. Le Quartier Latin is home to the Musée de Cluny, Panthéon-Sorbonne and is 2000 years old. These clues will help us get a glimpse of it.

HOW?

Nearest Metro Stop: [Cluny La Sorbonne \(Metro Route 10\)](#)

Nearest Bus Stop: [Dante](#)

From OECD HQ: [Take Bus No 63 from Porte de La Muette - Octave Feuillet to Dante.](#) It will take 35-40 minutes to go either way.
